Welcome from Mayor Christine Dansereau

Dear Fellow Residents,

On behalf of myself and the Roselle Borough Council, I welcome you to the latest edition of the Roselle Resource Guide, a comprehensive guide to Roselle's many services.

This guide is made available to all Roselle residents and is intended to provide you with all the information you need. But it's also more than that. A central goal of our municipal government is to set the building blocks of a truly inclusive Roselle and to make sure that everyone in our community has access to all the services we provide.

While we encourage all residents to attend our Borough Council meetings, there are many ways for residents to stay informed and that can effectively address your questions and concerns. They include:

- **Nixle notifications**
- **Text alerts**
- **Facebook/OfficialRoselleNJ**
- **Instagram/boroughofroselle**
- **Roselle Cable Television**, FiOS Channel 37; Comcast Channel 34
- **Borough Website:**  boroughofroselle.com

You can register for all of these notification services and access other valuable information through the Borough's website, www.boroughofroselle.com.

In the pages ahead, you'll find the information you need when it comes to accessing the Borough's many municipal functions and services. We have also provided information about your ward, your councilperson and who to contact if you require information or services.

It is in this spirit of inclusion and open communication that I introduce you to the Roselle Resource Guide. As public servants, we are constantly striving for more ways to improve communication with all our Roselle citizens.

Please keep a lookout for my regular Conversations with the Community events. If you would like to set up an appointment to meet and discuss any issue, contact the Clerk's office at (908) 245-5600. We welcome any suggestions you may have on improving our Community Resource Guide. I can be reached by email at cdansereau@boroughofroselle.com or you can call or text me at (908) 956-5557.

Respectfully Yours,
Mayor Christine Dansereau

Code Enforcement/Zoning

 boroughofroselle.com/Departments/Code
210 Chestnut Street - (908) 259-3023

The Zoning Officer is charged with, but not limited to, handling community and neighborhood land use requirements, such as the use of the structure, location, configuration and size, fence permits, and permit for impervious surface.

Our objective is to help maintain and improve the quality of the community by administering an enforcement program to correct violations of municipal codes.

Code Enforcement is charged with, but not limited to handling exterior and interior maintenance, such as, garbage and debris, vegetative overgrowth, abandoned or inoperable vehicles, parking vehicles on unimproved surfaces, car parts, or other visual and hazardous nuisances on commercial, business, and residential property.

The enforcement of property maintenance and nuisance codes helps to ensure that there is a minimum level standard required for maintaining all properties in Roselle. Your help is needed to keep the Borough of Roselle a safe and healthy community where all those who live, work or visit can experience a sense of pride and well-being.

We ask our commercial and residential homeowners to maintain their properties to preserve and promote the beauty of Roselle.

Planning, Zoning & Land Use

(908) 259-3014

The Planning Board is a nine-member board comprised of public officials and residents and is responsible for reviewing and making recommendations to Borough Council related to redevelopment and land use ordinances and regulations. The Planning Board prepares and adopts the Borough of Roselle's Master Plan, which guides the long-term goals and objectives for the Borough. The Planning Board also has jurisdiction to review and approve site plans, subdivisions, and bulk variances requested as a part of development applications.

The Zoning Board of Adjustment is a quasi-judicial board comprised of seven Roselle residents who hears and decides project matters that do not meet the standards of the Borough zoning ordinance. The purpose of the Zoning Board is to protect the intent and purpose of the zoning ordinance while at the same time providing relief to property owners when appropriate. The board also provides interpretations of the zoning ordinance and hears appeals from the zoning decisions made by the Zoning Officer.

The duties and responsibilities of each boards is governed by the Municipal Land Use Law and the Borough of Roselle, Chapter 77, Land Use Ordinance. Both boards have regular meetings once a month.

To be placed on the Planning Board or Zoning Board of Adjustment agenda, applicants are required to complete a Planning Board/Zoning Board of Adjustment application, which can be obtained online on the Borough of Roselle Website under *Online Forms*. Any questions related to completing an application can be directed to the Administration Department at (908) 259-3014.

Roselle Municipal Court

 boroughofroselle.com/Departments/Court/
210 Chestnut Street - (908) 245-5588

The Roselle Municipal Court is considered a court of limited jurisdiction, having responsibility for motor vehicle and parking tickets, minor criminal-type offenses (for example, simple assault and bad checks), municipal ordinance offenses (such as dog barking or building code violations) and other offenses. Many serious criminal cases, such as robbery, auto theft, or assault, start out as complaints filed in the Municipal Court but those cases are transferred to the Superior Court located at the Union County Courthouse in Elizabeth.

Under the guidelines prescribed by both the New Jersey Rules of Court and the Administrative Office of the Courts, the Roselle Municipal Court is responsible for both the processing and disposition of all traffic summonses, criminal complaints and city ordinance violations cited within the Borough of Roselle.

Engineering

 boroughofroselle.com/Departments/Engineering
210 Chestnut Street - (908) 259-3059

The municipal engineer is responsible for management of public structures and services that Roselle provides. The engineer oversees the construction and administration of public roads, sewers, waste management facilities and public parks throughout Roselle.

The focus is to improve safety and convenience for residents while protecting the environment and precious resources, such as the water supply. The municipal engineer works in cooperation with builders, professional civil engineers, construction project managers and members of city planning committees.

Perhaps a busy road or sidewalk is beginning to crumble, or a rainwater drainage system proves insufficient. The municipal engineer carefully considers new options, and determines the most effective ways to improve or replace structures.

Finance Department

 boroughofroselle.com/Departments/Finance
210 Chestnut Street - (908) 245-5600 ext. 6

The responsibilities of the Department of Finance are many, including:

- Maintain central accounts and records
- Control expenditures
- Pre-audit bills and claims
- Take custody of securities and investments
- Invest surplus funds
- Prepare the annual budget
- Prepare financial statements

The Finance Department also oversees the Division of Purchasing, which provides the highest quality of goods and services to the various departments within the Borough of Roselle in a timely manner and at the lowest possible price.

Fire Department

 boroughofroselle.com/Departments/Fire
725 Chestnut Street - (908) 245-8600

The Roselle Fire Department proudly stands on the front lines to protect residents from fire and other emergencies, provide emergency medical services, rescue and assist members of the community through code management, public education and incident response.

The safety of the residents of Roselle has been and always will be the main concern of the department. When an emergency call is received, firefighters respond to make the scene as safe as possible and remove people from harm's way.

Time-saving tip

The Roselle Fire Department makes **free smoke and Carbon Monoxide detectors** available to all borough

residents. Carbon Monoxide is odorless and colorless, and can cause death if inhaled. Smoke detectors save lives and keep families out of harm's way. To learn more and receive your free detector, call the number below and leave your name and number on a voicemail:

Office of Emergency Management

The Roselle Office of Emergency Management (OEM) in a mutual partnership with Police, Fire, EMS, and other Borough Departments and in coordination with federal, state, county, and other local municipalities work to prepare for and respond to any man-made or natural hazard that may jeopardize life and property. The Roselle Office of Emergency Management is responsible for overseeing the borough's Emergency Operating Plan (EOP) as one of the four phases of emergency management; mitigation, preparedness, response, and recovery.

Mitigation: Mitigation is the cornerstone of emergency management. It's the continuing effort to lessen the impact disasters have on life and property. Mitigation is defined as "sustained action that reduces or eliminates long term risk to life and property from man-made or natural hazards and their effects."

Preparedness: Preparedness takes the form of plans or procedures designed to save lives and to minimize damage when an emergency occurs. Planning, training, and disaster drills are the essential elements of preparedness. These activities ensure that when a disaster strikes, emergency managers will be able to provide the best response possible. Disasters are caused by high winds, floods, releases of deadly chemicals, fires, ice storms, earthquakes, as well as other man-made or natural hazards. When disaster strikes, the best protection is knowing what to do.

Response: Response is defined as the actions taken to save lives and prevent further damage to property in a disaster or emergency situation. Response is putting preparedness plans into action. Response activities may include damage assessment, search and rescue, fire fighting, evacuation, and sheltering victims.

Recovery: Recovery is defined as the actions taken to return the community to normal following a disaster. Repairing, replacing, or rebuilding property are examples of recovery.

Recreation

 boroughofroselle.com/Departments/Recreation
(908) 259-4502

The Borough has emerged as a leading recreational site in Union County, with streamlined processes for coordinating efforts of non-profit, volunteer sports clubs and organizations, as well as a plethora of Borough-sponsored activities.

Some highlights of the Roselle Recreation Department's accomplishments include a completely revamped and highly successful Summer Fun Camp which provides six weeks of camp activities. The camp includes nutritional meals, physical activities, education enrichment, field trips and mentoring for all children, working closely with various members of the Borough Council and the borough engineer to improve the quality of parks.

This provides enhanced activities for park-goers, multicultural street fairs, holiday concerts, and collaboration with volunteer organizations.

The Roselle Recreation Department looks forward to continuing to meet the recreational needs of Roselle residents and encourages input ensuring we meet the needs of everyone in the Roselle community.

Public Works

 boroughofroselle.com/Departments/Public-Works/
(908) 245-2920

The Roselle Department of Public Works provides services for borough residents, the public in general as well as the other municipal departments and agencies. Most services are characterized as maintenance or support activities.

The Public Works Department, through its employees, provides for the delivery of high quality, cost effective, efficient, safe services involving public infrastructure and facilities to enhance the quality of life in Roselle.

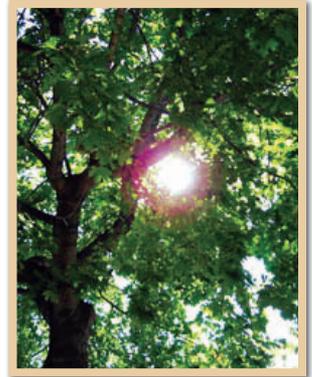

Service request response and quality assurance is the first concern for this department. It is our goal to respond quickly to each request, maintain the same quality of service and monitor our completion rate and customer satisfaction.

Shade Tree Division

The Shade Tree Division works to ensure that Roselle's shade trees thrive in our community.

The established procedure for removing trees within the 10 foot right-of-way is to request an inspection through the Public Works Department to determine whether the tree is in poor health or is posing a danger to people or property. The inspection is free, as is the permit issued to you to remove the tree.

The purpose of this inspection is to prevent the unnecessary removal of trees in the Borough as trees are an integral part of our ecosystem and also contribute greatly to the beauty of our town.

Mayor's Office of Hispanic & Latino Affairs

210 Chestnut Street, Roselle, NJ 07203

✉ RoselleHLAffairs@boroughofroselle.com

(908) 259-3038

“Roselle is stronger when all its citizens feel included.”

- Mayor Christine Dansereau

At the end of 2015, Roselle launched its municipal identification program. It was the first project of the newly-created Office of Hispanic-Latino Affairs.

“Roselle is a diverse community that must be open and accessible to all residents,” said Mayor Christine Dansereau. “People should know that the door is open and that no one should have to prove that they count - everybody counts.”

Among the many benefits of the municipal ID is that it allows better access to municipal services.

Meetings take place the 2nd Tuesday of each month at 6 p.m. in the Council Chambers at 210 Chestnut Street. Dates are subject to change; please call the Borough to confirm.

Mayor's Senior Advisory Committee

The mission of the Mayor's Senior Advisory Committee is to provide programs that are important to members of our Senior Community. The Committee Members are appointed by the Mayor and serve as liaisons between the Mayor and our Senior Community. They gather input from the Seniors to help determine what types of recreational and social programs would be of interest to them.

The Committee plans these activities in collaboration with the Recreation Department and oversees them. From Jazz Fashion Shows to Holiday Parties, Summer Senior Picnics, plus much more the Committee is always working to create successful programs for our Seniors that they can enjoy and are well attended. These programs are part of a greater Recreational Calendar for others in our Community that Seniors get to participate in as well.

Check out our calendar of Recreational Events and Senior Activities on our Roselle Website. The Activity Calendars and flyers are also provided at the Anthony Amalfe Community Center at 1268 Shaffer Avenue and the Roselle Borough Hall at 210 Chestnut Street.

Note: For information Contact the Anthony Amalfe Community Center at (908) 245-6717.

Rotary Club of Roselle-Roselle Park

 roselle-roselleparkrotary.org

(973) 609-2442

The Rotary Club of Roselle-Roselle Park was chartered on April 30, 1923 and since that time has supported many local and international organizations, charities and projects. Members of the club, led this year by Keyanna Jones, include

a diverse group of people who are current and former residents, business owners and community leaders in Roselle, Roselle Park and Linden. Over the years, the club has supported the libraries, first aid squads, Boy Scouts, Girl Scouts, WW I and II Veterans Memorials, youth sports, police and fire departments, battered women's shelters and the Chamber of Commerce.

With a focus on youth engagement and support, the club also sponsors students who participate in Rotary Youth Leadership Academy and the Youth Exchange; and they recognize Students of the Month from each of the three high schools in the Twin Boroughs of Roselle and Roselle Park.

With the motto: "Service Above Self," the Rotary Club of Roselle Park is a true embodiment of a local service club with global reach.

ROSELLE CHAMBER OF COMMERCE

The Roselle Chamber provides a forum to exchange ideas and information among our local business and professional residents.

Our programs, projects, and meetings keep our members in contact with one another and serve the needs of the business community.

Roselle Everett Hatcher Prevention Coalition

 roselleeveretthatcher.org

210 Chestnut Street, Roselle

(908) 868-0489

The Roselle Everett Hatcher Prevention Coalition (REHPC) was developed by a Coalition Director along with a volunteer committee to address substance abuse and promote prevention since 1989. REHPC's vision is to foster the growth of a successful community of youth and families making positive choices to remain drug free. Our goal is to prevent and reduce youth substance abuse in Roselle.

From its inception, the coalition has followed a shared leadership model, for which shared responsibilities divided across the coalition membership has allowed everyone to become part of the movement.

For more than a decade, REHPC generated community awareness and support through several activities in the Roselle community. More recently, however, our structure was enhanced as we were introduced to coalition-building strategies through support from GCADA, SAMHSA, CADCA and Prevention Links.

Some of our success stories:

- Project Medicine Drop Box
- Cops in School, Parent University, Red Ribbon Week, DARE, What Kids Need to Succeed, The Lead & Seed
- National Night Out in partnership with the Police Department
- Presentations including; Hidden in Plain Sight and Getting High Naturally
- A Drug-free Cinco De Mayo with the Hispanic-Latino Community
- Website & Facebook page
- 2018 Need Assessment; 2017 Youth Survey, 2017/2018 Community Survey.
- Summer Camp Leadership program with the Recreation Department
- Monthly meetings
- And more!

(732) 381-4100

info@preventionlinks.org

Prevention Links is a private, not-for-profit organization, which takes a leadership role in the prevention of drugs, alcohol, tobacco and related issues.

With community being defined as any environment where people live, work, or learn, the goal of Prevention Links is to pull together all available resources to eliminate the deleterious effects of drugs, alcohol, violence, and inadequate educational and health institutions in our communities.

Prevention Links focuses on identifying and enhancing existing strengths within the individual, family, school, and work setting to serve as the first and most valuable resource in sustainable revitalization of all types of community.

Prevention Links implements training programs and evidence based strategies, practices and programs that are outcome based and empower all segments of a community to be actively engaged in changing their environments.
